

An Update

June 2009

Derrington
Way Ahead

Stafford Borough's First Low Carbon Community

150+ people
attended our colourful Launch
Event on Sat. 30 May

We had a stall
at the Village Fete too!

Around **70**
questionnaires have been returned - these
are indicating what sort of sustainable projects and
actions people are interested in. Return
yours at any time

Over **34** home energy
efficiency surveys already booked. Book
yours with Beat the Cold on 0800
389 2258

£100 donated towards
refreshments at the launch event has
funded a variety of new plants in the Derrington
WI Millennium Herb Garden

Derrington
Way Ahead

Stafford Borough's First Low Carbon Community

Next Steps...

...what a fabulous start!!

But there's more to come! There are some great ideas and projects up ahead and our next steps are some Summer events. We hope you can join in and help reduce Derrington's carbon footprint.

'An Evening of Inspiration' with
**Richard Davies of Marches
Energy Agency,**
7:30pm 14 July, Village Hall

Stafford Furniture Exchange

will be collecting in Derrington on Thursday 2 July. Please ring Gareth or Viv (01785 606674) to discuss collections of unwanted furniture or bicycles.

Next Steering Group Meeting:
7.15pm, Thursday 2 July in Derrington Village Hall. New members always welcome, please come and join in.

For further information see the
Village Hall website, www.derringtonvillagehall.btik.com or contact freephone 0800 389 2258 (Beat the Cold)

Derrington Way Ahead is part of Stafford Borough Council's programme to tackle climate change and improve quality of life for present and future generations through sustainable development.
